

This ZIP file contains the Final Project for group FLOOP.

If you have recieved this from another group member, please disregard the source code, as it is the same exact thing.

It was made just incase all of us had to turn it in

Instructions for running the code:

-There is a read me file in the Source Code folder that Angelo created showing how to run the code.

Game layout:

- 9x9 grid
- Blue blocks are destructible.
- Green blocks are invincible.

Instructions for playing the game:

IMPORTANT NOTE: In order to see the changes, you must left click the screen.

This is an annoying bug that occured near the end stages of implementation.

W - move up

S - move down

A - move left

D - move right

Space- place bomb (red square)

K - Detonate bomb
